

Submarine Golf Championship 2012

Gents,

I am organising next year's Submarine Golf Championship which will be held on the 19th July at St Mellion (approx 10 mile from Plymouth across the Tamar Bridge). The day will comprise of 1 Round on the Nicklaus Signature Course (yellow Tee's) and 1 Round on the Old Course now redesigned with 9 new holes and now called the Kernow course (white Tee's). There will be 4 packages available as follows:-

Package 1:- 2 nights B&B with Lunch & Dinner on the Thur with 2 rounds of Golf

Cost £180, Non Golfer £125, with single supplement of £35 per night.

Package 2:- 1 Nights B&B with lunch & Dinner on the Thur with 2 rounds of Golf

Cost £130, Non Golfer £75, with single supplement of £35 per night.

Package 3:- Thur Golf day 2 rounds of Golf with Lunch & Dinner. Cost £85

Package 4:- St Mellion Members, Cost £35 (paying for food only)

These prices are approx £5 to £10 more expensive than 2011 but the hire of buggies is cheaper.

Practise round booked for Wed from 1200 on the Nicklaus course at a cost of £35 with buggies at £20 and £30 for all day on the Thur.

At present we are building the web site, sorting out bank accounts and contacting hopeful sponsors before promulgating information and application form.

When I organised this event at Trethorn in 2009 we had 120 players, this year we have 2 courses and I have booked both the 1st and 10th Tee starts on both courses with the potential to have over 200 players. The serving Submariners are easier to contact thru Signals and RNTM's but I require your assistance to try and contact as many ex-serving as we can, I have the data base of email address from 2009 (some of these may now be incorrect) and Richard Thompson this year's organiser has given me his data base. If you know of any ex-serving member who you think would be interested in playing can you please forward their contact details or give them my contact details.

Regards

Spike Hughes
